

BASIC MEAT MICROBIOLOGY AND HACCP TRAINING CERTIFICATION COURSE

Tuesday, May 23 - Thursday, May 25, 2023
Harold Wanke Conference Room | 138 Animal Bioscience Building
Montana State University, Bozeman, MT

GENERAL INFORMATION

The Basic Meat Microbiology and HACCP training class meets USDA Final Rule mandatory requirements but is also offered to meat and poultry processors interested in voluntary implementation. This course is developed for meat processors seeking to comply with state or federal inspection. The course is developed to focus on meat and USDA requirements for inspection, but food processors and regulatory personnel seeking information about HACCP basics can participate as well.

COURSE FEE: \$75 per person to be collected at registration.

Includes Basic Meat Microbiology and HACCP notebook, other supplies and parking pass. Each participant is required to pay this amount even if there are multiple registrants from the same company. *Make checks payable to: MSU Animal and Range Sciences.*

REGISTRATION DEADLINE: Tuesday, May 1

Please fill out form on next page and return it before the deadline. Limited to 20 participants. Class will be cancelled if there are fewer than 10 registrants by May 1.
