

HACCP TRAINING CERTIFICATION COURSE and MONTANA BASIC MEAT MICROBIOLOGY

May 19-21, 2020
Harold Wanke Conference Room
Animal Bioscience Building
Montana State University, Bozeman MT
Course begins at 8:30 AM (Check in - 8:15, May 19)

The course will meet USDA Final Rule mandatory requirements but is also offered to meat and poultry processors interested in voluntary implementation. This course is developed for meat processors seeking to comply with state or federal inspection not to address the new FDA rules. Projected course hours will be Tuesday, 8:30-5:00; Wednesday, 8:00 – 5:00; Thursday, 8:00-1:00.

The Montana HACCP Training Group Instructors:

- Jane Ann Boles, MSU Animal & Range Sciences;
- Thomas Bass; Montana State University Extension
- Emily Kaleczyc, Montana Department of Livestock
- Dustin Schreiner, R.S., Culinary Services Division Montana State University

Course Fee (to be collected at registration):

Please make checks payable to: MSU Animal and Range Science

- **\$70.00** for Basic Meat Microbiology and HACCP Notebook and other supplies. This payment is required for all participants even if they are from the same company. Parking has changed at the University. We are currently negotiating to get spaces near the building if we do not succeed attendees will need to visit <http://www.montana.edu/parking/directions.html> to see options for visitor parking. Parking for the full day is exclusively near the stadium or in the parking garage. Both of these are a considerable distance from the Animal Biosciences Building. Please plan accordingly.

General Hotel information: (many choices available):

Please make your own reservations soon; some offer state or corporate rates for qualifying guests.
