

# WESTERN SARE MEAT & POULTRY PROCESSING PROJECT

Funding is available to conduct multi-faceted trainings and networking projects for people and businesses in local/regional meat systems.

Applicants must be from the Western SARE region:

Alaska, American Samoa, Arizona, California, Colorado, Guam, Hawaii, Federated States of Micronesia, Idaho, Montana, Nevada, New Mexico, Northern Marianas Islands, Oregon, Utah, Washington, and Wyoming.

## LEARN MORE & APPLY ONLINE

[https://animalrange.montana.edu/meat\\_poultry.html](https://animalrange.montana.edu/meat_poultry.html)

Complete the quick and easy online application, or contact Dr. Jane Ann Boles for a printed version.

1

## PROPOSAL ACCEPTED

A review team will monitor incoming applications and respond to each request in a timely manner. Up to \$10,000 is available per request. Funding is not guaranteed.

2

## UTILIZE FUNDING

Examples of deliverables may include: face-to-face trainings, networking and educational conferences, and multi-media educational products.

3

Deliverables may address: skilled workforce development and continuing education, health and safety of workers, safe handling and animal welfare, food safety and HACCP, and other needs as identified by stakeholders.

## FOLLOW-UP

Provide a brief report detailing how funds were spent and the impact upon the target audience .
